★★★★

## *‘Residential Training’*

*Take time out to focus on training in tranquil, picturesque surroundings with excellent facilities and fully qualified 5\* Eventing Coach Emilie Chandler.*

Our ‘Residential Training’ package is a great way to get the best training experience for you and your horse, be able to focus solely on your training and enjoy back to back sessions, including some ‘off the horse’ training sessions for goal setting, and planning.

Each package can be tailor made to suit you and your horse. Low Woods Farm can accommodate up to 4 horses for residential stays at any one time, so we can house a few people at the same time if needs.

Coaching is with UKCC Level 3 Eventing Coach Emilie Chandler. Emilie is an International Event Rider who has competed at 5\* level on many occasions, has been a member of Team GB’s Eventing Nations Cup Squads and first reserve for the Senior European Eventing Championships in 2015. Emilie was then longlisted for the 2018 World Equestrian Games, and the 2016 Olympics.

Emilie has vast experience as a coach, inspiring all levels of riders, and last year helped coach a rider to complete their first 5\*. She is also helping coach the Team GB Show jumping Podium Potential squad this year, helping the show jumping riders with their flatwork and developing their horses as athletes.

Low Woods Farm is set in the heart of The Vale of Belvoir, very close to Belvoir Castle. A tranquil setting for an enjoyable training experience. There is plenty of parking, American Barn style stabling with rubber matted boxes, automatic waters, and comfortable accommodation for you if required on site. There is lovely off road hacking, and 'The Engine Yard' shopping village is 5 mins away if a change of scene is needed!
